SUCCESS FOR RETURNING CITIZENS

---- EMBRACED:FULLY ANGEL TEAM WORKSHOP INVITATION ----

Dear First Church of Christ, Scientist,

You are invited to join us on Thursday, June 19, 2025 at 6:00 pm (Pacific) for our monthly Embraced:Fully Angel Team Workshop Zoom meeting. Guests are always welcome!

In this meeting we typically explore how we can support returning citizens as they return home from incarceration, as well as how we can support their journey and path to freedom. We discuss topics including: What is an Angel Team? Who can be part of one? How do we start them up, and what role can our churches play in this meaningful work?

Embraced:Fully Angel Teams help qualified individuals coming out of prison find housing, transportation, employment, and most importantly a welcoming church community.

Agenda for the call:

- **Introductions & Announcements** – Introduce yourself, are you currently working with any returning community members (or planning to)?
- **Regional Angel Team Updates & Returning Community Member check-ins** – sharing progress, challenges, and accomplishments.
- **Visiting and Corresponding Volunteer Chaplain check-ins** – updates from the field.
- **Topic for Discussion:** Issues we might encounter when setting up a new Angel Team.
- **Confirm next meeting dates**, wrap up meeting.

This is a monthly working meeting for Embraced:Fully Angel Teams across the nation, and also people interested in volunteering to either start or join one, or participate remotely. Angel Teams help returning community members succeed in not going back to prison or jail.
