Wednesday Prayer and Share Topic:
“Gazing Toward Real Peace”
August 20, 2025

With several wars in the world right now, many people are trying to figure out how to get involved parties to work toward peace. People feel that their leaders are not listening to them as they are crying out for them to cease the bloodshed and work toward peace. This is not a new problem. Jeremiah addresses this issue in the Bible. Babylon is the force from the north that is marching toward Jerusalem. The leaders in Jerusalem have not been listening to God’s concerns about their behaviors, and now they are being threatened by a stronger force from the outside.

Questions to consider:

- What does enduring peace look like?
- Do you have any experiences where conflict has stopped and real peace has been manifested?
- How can we pray that leaders be more willing to listen to their followers’ concerns?
- Do you have any inspiration or healings to share?
