Wednesday Prayer and Share Topic:
Separating Foolishness from Wisdom
October 1, 2025

Questions to consider:

- What helps you see how Truth and Love has “made foolish the wisdom of this world”?
- What gives you courage when people criticize you or persecute you?
- What helps you separate inspired thoughts from confusion about your community and the world?
- Do you have an example of how divine wisdom led to inspired action?
- Has *The Christian Science Monitor* helped you seek truth and love neighbors?
- What healing experiences or inspiration do you have to share?
