Wednesday Prayer and Share Topic:

Healing Relationships *September 24, 2025*

Mary Baker Eddy writes, “To live so as to keep human consciousness in constant relation with the divine, the spiritual, and the eternal, is to individualize infinite power; and this is Christian Science” (The First Church of Christ, Scientist, and Miscellany, 160:5).

Questions to consider:

- How do we keep “in constant relation with the divine...”?
- Can deepening our relationship with God result in more connected, fulfilling, and kinder human relations?
- What healing experiences or inspiration do you have to share?
