Wednesday Prayer and Share Topic:

Spiritual Intuition—Spiritual Knowing
October 22, 2025

Questions to consider:

- What is spiritual intuition?
- Have you had moments where you knew something beyond or unconnected to any merely brain or material knowing?
- Let's explore what Eddy says about the "unknown":

UNKNOWN. That which spiritual sense alone comprehends, and which is unknown to the material senses. (Science and Health p. 596:1)
