Wednesday Prayer and Share Topic:
Singing a New Song
November 12, 2025

Have you ever had some song or jingle repeating itself over and over again in your head, and the only way to get rid of it was to start singing a new song? (Or creating a new song?) In Miscellaneous Writings, Mary Baker Eddy writes: "The creative "Us" made all, and Mind is the creator" (Mis. 57:5). Let's think about what new thing God, the creative Mind, the Holy Spirit, is moving us to think, act, create, sing.

Questions to consider:

- Are we being creative, as reflections of the creative "Us", or are we being repetitive, pedantic, stuck in old ways of living and being, singing the same old song?
- How do we put off the old and welcome the new--ideas, thoughts, tasks, people, creative pursuits?
- In what ways can we be more creative, find more creative ways to think, to protest, to respond, to live?
- Are we willing to be childlike and receptive to a new way of thinking and acting? Do we trust God enough to let the Holy Spirit lead us in putting off the old and welcoming the new?
