Wednesday Prayer and Share Topic:
Generosity of Spirit
November 19, 2025

Questions to consider:

- The story of Abigail and Nabal is a cautionary tale about how to respond to requests for time and resources. How do we respond to requests for our time, attention, and resources?
- How can we gracefully respond to the barrage of requests for donations that we receive daily?
- How can prayer help us deal with a sense of overwhelm?
- How can we embody a natural sense of generosity rather than scarcity?
- Please share any healing experiences you've had relating to this or anything else.
